INFORMATION DISCLOSURE
STATEMENT UNDER 37 CFR §1.97 and
§1.98-

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of Foreign Patent Documents and Non-Patent References are enclosed, with the exception of references QZ-SH, which are not accessible at this time. In accordance with the USPTO's decision to waive the requirement under 37 CFR 1.98 (a)(2)(i) for submitting U.S. published applications and patents in applications filed after June 30, 2003, applicant has not submitted copies of U.S. patent references.

With respect to the missing references, the Examiner is advised that references QZ-SB were listed on the face of U.S. Patent 5,740,549 (issued April 14, 1998); references SC and SD were listed on the face of U.S. Patent 5,488,685 (issued January 30, 1996); reference SE

was listed on the face of U.S. Patent 6,008,807 (issued December 28, 1999); reference SF was listed on the face of U.S. Patent 6,100,881 (issued August 8, 2000); reference SG was listed on the face of U.S. Patent 6,249,281 B1 (issued June 19, 2001); and reference SH was listed on the face of U.S. Patent 5,781,894 (issued July 14, 1998).

We attempted to retrieve said references from their respective file wrappers, but found that all were missing. We have been unable to locate these references by other means. Should they become available to us in the future, we will forward them to the Examiner's attention at our earliest opportunity.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
